

Honoring Those
Who Bring the
Light to Young
Children

Dr. Rebecca Isbell
drisbell.com

1

Research and studies
have identified the
elements of a quality
early childhood
program.

2

**The essential element
which is repeatedly
identified is:**

A trained, responsive
teacher caregiver, who
builds positive
relationships

3

Every Child Needs Someone Who Believes They Are
Wonderful: You Are That Person For Many Children

4

Windows of Opportunity:
Language Development

5

A language
model during
the window of
opportunity for
development

6

Conversations that are interactive or essential to the language development

- Serve and Return
- Reciprocal
- Be an active listener
- Be sensitive to the "wait" period

7

The Essential 4C's in the United States

- Creativity
- Communication
- Collaboration
- Critical Thinking (Problem Solving)

(Trilling & Fadel, 2009)

8

Understanding and Respecting the Capabilities of All Children

9

This is a critical time to nurture creativity and creative thinking!

10

11

Research

- Torrance Creativity Test: Scores have decreased (1998 - 2008)
- Children are less expressive, less talkative, and less imaginative.
- The most significant decrease was found in the Kindergarteners (5 - 6 years old)
- Young children generate fewer and unique ideas.

(Kim, College of William and Mary, 2017)

12

A creative teacher who will help young children gain the skills for the 21st century: Creativity, Communication, Collaboration, and Critical Thinking

13

Creative Confidence

- You have willingness to try and take safe risks
- You are persistent and capable of doing difficult things
- You welcome challenges and value new ideas
- You know mistakes are opportunities to retry, learn, and grow

14

You understand young children develop holistically, including:

- Health needs
- Physical development
- Arts (music, art, movement)
- Social-moral development
- Language
- Intelligence

15

A trained and continually learning person who demonstrates this love for learning

16

A lover of stories and reader of books that will help young children find joy in stories

17

"Children who are read one book a day, will hear about 290,000 more words by age 5 than those who don't regularly read books with a parent or caregiver."

Jeff Grabmeir, Ohio State University

18

YOU are a great investment!

19

Boston Longitudinal PreK Program Research

- More likely to graduate from HS
- Less likely to be incarcerated as juveniles
- More educational attainment

Positive Life-Long Outcomes

Leonhardt, D. (2021, May 10)

20

A designer of calm and stimulating environment that is appropriate for active learners

21

22

You are a treasured person to many young children and their families

- You value each young child and his/her uniqueness
- You respond to their needs, questions, and possibilities
- You are a language and literacy model
- You are a creative thinker and problem solver
- You design and implement amazing environments

23

You make the difference in the lives of young children
YOU BRING THE LIGHT!!!

24

You are the caring person who values and respects each child.

Your safe and loving environment makes learning possible.

25

You are the person who helps children develop social skills that will be used throughout their lives.

26

This Little Light of Mine

This little light of mine – I'm gonna let it shine
 This little light of mine – I'm gonna let it shine
 This little light of mine – I'm gonna let it shine
 Let it shine, let it shine, let it shine

Don't you try to blow it out – I'm gonna let it shine
 Don't you try to blow it out – I'm gonna let it shine
 Don't you try to blow it out – I'm gonna let it shine
 Let it shine, let it shine, let it shine

Everywhere I go – I'm gonna let it shine
 Everywhere I go – I'm gonna let it shine
 Everywhere I go – I'm gonna let it shine
 Let it shine, let it shine, let it shine

This little light of mine – I'm gonna let it shine
 This little light of mine – I'm gonna let it shine
 This little light of mine – I'm gonna let it shine
 Let it shine, let it shine, let it shine
